## THE BEST LOOK FOR YOUR SPRING SHOOT

---

Springtime portrait clothing should be light, airy and full of color and texture. Try combining cottons and linens in pastel shades and add layers: a jean jacket, interesting jewelry, little hats, and scarves help to mix it up and keep things fun!

## ALL ABOUT WALL GALLERIES

*Portraiture is fine art; so what better way to display your images than to marry them with the style of your décor? The following wall galleries are some of our most popular arrangements to inspire your own interesting and unique displays for your home. And remember: Emily Hardy Photography is happy to help you plan your own wall galleries from your favorite images!*
